ACA Membership: Visit the website www.cloggingaustralia.com for more information about this wonderful style of dance, the events, the National Dance List, cue sheets & membership. Camps and workshops are held all over Australia and each year a Convention is held in a different State, usually towards the end of each year. It is great way to workshop new dances and make new clogging friends. To keep the ACA alive, membership is compulsory for a very small Annual fee of \$20 adults, \$10 up to 18 years old or a Family membership of \$30. Memberships run from 1st July for 12 months. However, you will be required to join prior to your first lesson & the first application for memberships done after 1st April, will be current until July the next year. Please attach your membership record with this registration or bring it with you to your first class. Among the many benefits, some of which include:

A Quarterly newsletter keeping you up to date with clogging around Australia

- 1. Access to ACA Resource Library, Cue Sheets & Step Videos
- Discounts on ACA clogging merchandise and discounts on Convention registrations
- 3. The right to vote at ACA meetings, Choreography competitions and showcases

Dress: The teacher does need to see all students' feet, so just wear something comfortable that suits.

Shoes: Shoes are fun but not a necessity to start with. We have new clogging shoes available for purchase.

We are manufacturers of clogging shoes - www.glorydanceshoes.com.au If you don't have clogging shoes, please wear socks.

Arrival time: Please arrive 5mins early, but no earlier than 10mins, so you can prepare yourself & be ready to dance!

<u>Medical conditions:</u> For your own health and safety, it is important that we are aware of any medical conditions, so please advise us of any known pre-existing medical conditions. If you have a medical condition, obtain medical advice before beginning or continuing classes. We are not responsible for ascertaining the suitability of our activities for every student. Any physical activity carries a risk of injury. We do however take all care, but we accept no responsibility for any harm, loss or damage caused to person or property while engaged in club activities or on our premises.

General quidelines: Primarily, let's have fun and keep the class uplifting and encouraging. So, when you walk through the doors, leave any stresses from your day outside. Consider your dance buddies and let's keep our words & conversations wholesome and positive, refraining from bad language, so together we create a positive & comfortable dance environment for everybody. ©
