At present, Children & Teen classes are available as Private or Semi-Private lessons until we get students up to the same level to make up a group class.

Therefore, lessons can be tailor made to suit each student and also a huge advantage is that lesson times are extremely flexible.

A wonderful opportunity for children who want to learn to dance, but don't enjoy the confines and pressure of regular dance schools. The students I have so far are progressing at an incredible speed due to the level of encouraging, individual instruction and are thoroughly enjoying the absence of peer pressure.

Great value at \$29 per hour lesson & only payable prior to each lesson.

No upfront term fees, no uniforms, no fuss ! This is such a unique opportunity for your child to dance. We take registrations all year round, so your child can start with us anytime !

Shoe hire at \$2 per lesson (subject to sizes available)..Performance Costume Hire \$3 / item when or if required.

BILLING OBLIGATIONS:

ALL STUDENTS: Classes are 'Pay as you come' payable prior to lesson. Costume Hire \$3/item if required.
