Clog Tap is a great workout! It's fabulous for fitness, co-ordination and rhythmic awareness – and its loads of fun. Our primary aim for your children is to have fun while learning the joys of dancing. Below are some policies to help us make this experience a wonderful one for your child and also for you as parents/guardians. We put these in place to help protect the comfort and safety of all our students.

Fees: **ALL TERM FEES ARE DUE 14 DAYS BEFORE TERM STARTS.** Classes are held by the term and we don't give refunds or credit for missed classes. Please check the website calendar for class schedule. It is up to the parent/guardian to make sure term fees are paid on time. We prefer payment by bank deposit.

Dress Code: For all students, the main criteria is that the teacher does need to see all students' feet so long pants are not desirable. As we wish to create a non-competitive and comfortable environment for all children, please ensure your child does not wear any cheeky shorts or mini skirts and no crop tops showing a bare midriff. A clean, neat and well groomed appearance is required for general classes. For children under 13 years of age though, please do not wear make up to classes.

Shoes: Tap Shoes are a definite must for classes. As the younger children (8-12) grow out of their shoes quickly, rather than putting extra burden on parents, we have decided to have shoes for hire at \$10 per term. If the child doesn't have tap shoes of their own, this shoe hire is compulsory for this age group as they will enjoy making the sound of the tap as they learn. The shoes must stay with the dance club, so please ensure your child does not take them home with them. Once your child has reached an age that they won't grow out of them, if you prefer, we have tap shoes available for purchase at a very reasonable price. Please discuss this with us if they don't have tap shoes already.

Picking up and dropping off your children: Please ensure that your children are escorted into the building before class and at the end of the lesson, instruct them to wait for you inside the building. To protect your child, no children should be outside for any reason unaccompanied. Please sign the attendance sheet upon arrival and departure at each class.

Medical conditions: Please advise us of any known pre-existing medical conditions or if your child develops any ailment. If there is a medical condition, please obtain medical advice before beginning or continuing classes. We are not responsible for ascertaining the suitability of our activities for any particular student. Any physical activity carries a risk of injury. We do however take all care, but we accept no responsibility for any harm, loss or damage caused to person or property while engaged in club activities or on our premises.

Lost property: No responsibility will be taken for items lost, stolen or broken during class. Clearly name all property.

General: To keep your children hydrated, please provide bottled water for class. As some children have food allergies, we do not allow any food in the class. We expect all students to exhibit good conduct at all times. We reserve the right to refuse or cancel a student's enrolment for any reason deemed necessary for the welfare of the Dance Club, staff and other students.

Parents Viewing: Invitations to view classes will be at the last lesson of each term only.

Page 2 - Club Policies. Please read carefully and initial your acceptance on the front page of the enrolment form.

If you've been looking for another choice of dance school for your children, finally, here's a really great alternative for you !

Seaside Cloggers 'Clog Tap' Dance Club originally started teaching Adult classes which have been very successful and we will continue to run our Adult classes.

Now some good news for parents...Seaside Cloggers are now offering 'Clog Tap' Dance classes for 8 – 16 year olds.

Clog Tap is great for your child's co-ordination & rhythmic awareness, learning musicality and how to be part of a team while still being independent to find their own style – & best of all its loads of fun. Our primary aim for your children is to have fun while learning the joys of dancing. Our Dance Club offers a slightly different experience for your child. Whilst the learning of an exciting and interesting dance form is taught by an experienced and accredited Australian Clogging Association dance teacher, your child is also taught with kindness and consideration. We understand that each child has individual needs & personalities. Your child will be nurtured gently & although we work hard to encourage your child to be the best they can be, it is not at the expense of them just needing to be kids. We endeavor to create a healthy environment without the competitiveness and stress children sometimes feel in order to achieve the perfection often required by some establishments. There are no exams to take, however if a child wants to reach greater levels, there is so much scope for them to do this. For example, choreographing their own dances, choreography competitions and eventually even a chance of having their dance included on the ACA National Dance List. You won't be able to believe the potential available to them in our unique dance style, being Clog Tap.

Our fees are reasonable at \$80 per term with a nominal combined registration fee & ACA membership of \$15 per term. To ease the burden of parents having to buy extras, we also have tap shoes for hire if required for the 8-12 year olds as this age group grow out of shoes quickly. We also don't have a dress code where students have to wear special clothes to class. Instead, we just ask that they come to class neat and clean.

So, please visit our website (www.seasidecloggers.com.au) to learn more about Clog Tap, our dance club and our Australian Clogging Association which runs camps & workshops throughout the year for your child to enjoy if they would like to.

Please don't hesitate to phone Sandy on 66548777 or 0412 050 279 and have a chat with the teacher. I'd love to have the opportunity to teach your children the joys of dance, specifically 'Clog Tap'.
