Clog Tap is a great workout! It's fabulous for fitness, co-ordination and rhythmic awareness. Our primary aim is to have fun while learning the joys of dancing. Below are some policies to help us make this experience a wonderful one for you and to help protect the comfort and safety of all our students.

Fees / Billing Obligations: Adult classes are on a pay as you come basis, although we do ask for a nominal **\$11 Club Registration Fee** and the **\$20 ACA membership fee** to be paid upon enrolment or 14 days before the year starts. We prefer payment by bank deposit, details are on the enrolment form.

ACA Membership: Visit the website www.cloggingaustralia.com for more information about this wonderful style of dance, the events, the National Dance List, cue sheets & membership.

Camps and workshops are held all over Australia and each year a Convention is held in a different State, e.g. in 2016 the Convention was in Perth, WA and in 2017 it will be held in Melbourne. This takes place toward the end of the year. It is a great way to workshop new dances and meet people from all over.

To keep the ACA alive, all students must take out membership for a small Annual fee of **\$20 adults, \$10 up to 18 years old** or a **Family membership of \$30**. The benefits to be gained, amongst many more are below.

A Quarterly newsletter keeping you up to date with clogging around Australia

1. *Access to ACA Resource Library and Cue Sheets*
2. *Discounts on ACA clogging merchandise as well as discounts on Convention registrations*
3. *The right to vote at ACA meetings, Choreography competitions and showcases*

Dress: The teacher does need to see all students' feet, so just wear something comfortable that suits.

Shoes: Tap Shoes are fun but not a necessity to start with. We have new tap and clogging shoes available for purchase. Please discuss this with us if you would like.

Arrival time: Please try & arrive 5-10mins early so you can prepare yourself and we can start on time.

Medical conditions: Please advise us of any known pre-existing medical conditions. If there is a medical condition, obtain medical advice before beginning or continuing classes. We are not responsible for ascertaining the suitability of our activities for a particular student. Any physical activity carries a risk of injury. We do however take all care, but we accept no responsibility for any harm, loss or damage caused to person or property while engaged in club activities or on our premises.

Public viewing: If you have a friend interested in joining us, for the comfort of other students we only allow spectators to view a class once without paying the class fee. Rather, we do encourage everyone to give it a try and join the rest of the students.

General guidelines: Primarily, let's have fun and keep the class uplifting and encouraging. So, when you walk through the doors, leave any stresses from your day outside. Consider your dance buddies and let's keep our words & conversations wholesome and positive, refraining from bad language, so together we create a positive & comfortable dance environment for everybody. 😊
